All snack and drinks must be kept at the Snack area. This helps to ensure food is not spread into toy bins or shared with others who are too little to be eating that type of snack. *Snacks are provided at our *Aylmer* location.

Friday Program at Pinafore Park

Exploring Nature

Meet us at the "Celebration Pavilion" at the back of Pinafore Park.

We will explore the park trails together. Be prepared to become one with nature!! Dress for the weather, this program will run in all weather.

Meet at the Celebration Pavilion at 9:30 Friday

"Children need to play — especially outdoors. Direct, unstructured, and creative contact with nature allows children autonomy over their own outdoor experiences. Such experiences help them gain empathy for nature and their local surroundings, and understand their connections to the natural world. Outdoor play doesn't take away from other learning — it enhances other learning." David Suzuki.
