

Play, Learn & Grow Program Descriptions

Play & Learn is a drop-in program full of activities for children 0 to 6 years and their parent/caregiver. Learn and have fun together with your child exploring a variety of creative opportunities for learning through exploration, play and inquiry. This program uses a play-based learning approach.

Baby Time is a drop-in for babies 0 to 12 months and their parent/caregiver. Siblings are welcome. Meet other parents and share in parenting topics, brain games, singing and circle time with your children.

Multiple Birth Family Play is a drop-in for families with multiple birth children, and their siblings. It is a partnership between London Multiple Birth Association and Middlesex EarlyON Centre, Ilderton Site. Activity centres include playdough, floor toys, dress up centre, imagination centre, blocks and a fun circle time.

Exploring Science (formerly called "Super Simple Science; Science for 2's and 3's and Science for 4-6 year olds"): Join us as the children experience the wonder of Science while trying new skills and finding out about the world around them.

Cooking with Kids (formerly called "Kids Cook for Families, Tots, or 4-6 year olds"): Join us for a fun learning experience with making your own food item to eat or take home. Together we will practise many early literacy and fine motor skills while we stir, cut, and create.

Movin' and Groovin': Join us for a fun and interactive music program where we will learn new songs, play with instruments, and find ways to move our bodies.

Toddler Games: Toddlers learn from all the experiences we offer and the exploration they do. Join us in this interactive workshop where all games will encourage healthy development, help develop language and listening skills and spark curiosity.

Bubbles and Babies: Bubbles are an activity for you and your child to do together. We will discuss the importance of bubbles, learn new songs to sing while using bubbles and you will get to take some bubbles home with you.

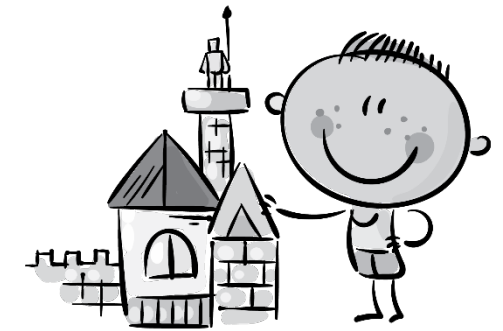

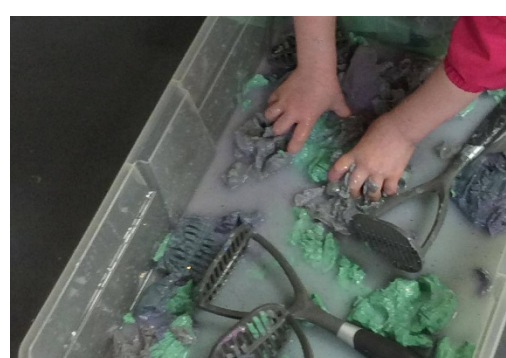

Baby Wearing Dance: You've seen the baby wearing classes and flash mobs videos online, now you can dance with your baby too! Join us for Baby and Me Baby Wearing Dance to get moving, bond with your baby, and meet other local moms. Bring your baby and your favorite wrap or carrier!

Storytime with the Librarian: Our local librarians will visit each location to meet all of our families and share a together time experience with us. For more information on Middlesex County Library visit <https://library.middlesex.ca/>

Healthy Start Infant Drop-in (formerly called "Infant Growth/Development and Breastfeeding Drop-in"): Speak to a Public Health Nurse about your baby.

Pop Up Play! is a mobile "loose parts" playground and a space for kids to rediscover creative and imaginative play! These playgrounds use a variety of materials and loose parts such as tires, tape, rope, sticks, stones, cardboard and fabric that children are free to use to build, demolish, create and change as they desire.

For more information visit www.middlesex.ca/earlyon.

Community Garden Party-Family Fun Day & Pop Up Play!

Wednesday September 12th 5-7 p.m.

Visit us at the Middlesex EarlyON Child & Family Centre Ilderton site, outdoor classroom, and the Ilderton Library Branch Reading Garden (located behind the library)

Hot dogs & snacks.

Sponsored in part by the Ilderton Lions Club and Ilderton Optimist Club

Complete a brief online survey to help create a Middlesex County Child Care and Early Years Plan. You can access the survey at www.surveymonkey.com/r/Middlesex_2018_parentsurvey.

Or you can access the survey by scanning the code to the right using your mobile device.

Upon completion of the survey you can enter your name into a draw for one of three \$50.00 Gift Cards to Walmart, Foodland, or Superstore/Loblaw's.
