

ConnectMyHealth is an online, single access channel to view your health records from participating hospitals in southwestern Ontario.

Why Use ConnectMyHealth?

ConnectMyHealth allows you to access your health records online and truly empower your health journey. It can be used on desktop computers/laptops or mobile devices, and you can subscribe to be notified by email when you have new results to view. ConnectMyHealth is safe and secure, and there is no cost to use it.

What Information Can I See?

To see a list of the types of health records that can be available to you using ConnectMyHealth, from participating healthcare organizations, visit <https://info.connectmyhealth.ca/data-availability>.

- Radiology Reports & Images
- Cardiology Reports & Images
- Laboratory Results
- Microbiology Results
- Hospital Discharge Summaries
- Select medication information
- Blood Bank Products and Tests
- Pathology and Genetics Reports
- Allergies documented during hospital visits

What Else Can I Do With ConnectMyHealth?

- **New Results Alerts:** Subscribe to be notified by email when you've got new results available to view in ConnectMyHealth; your New Results page displays first when you log in, for quick and easy viewing
- **Record Sharing:** Share your health records with other ConnectMyHealth users (e.g., family and caregivers)
- **Dashboard:** Personalize your dashboard view to show the types of health records (modules) that are most important to you
- **Visits Timeline:** See when your upcoming hospital appointments are scheduled for, where available
